PATIENT PORTAL

We are setting up a web-based system (“portal”) where you will be able to:

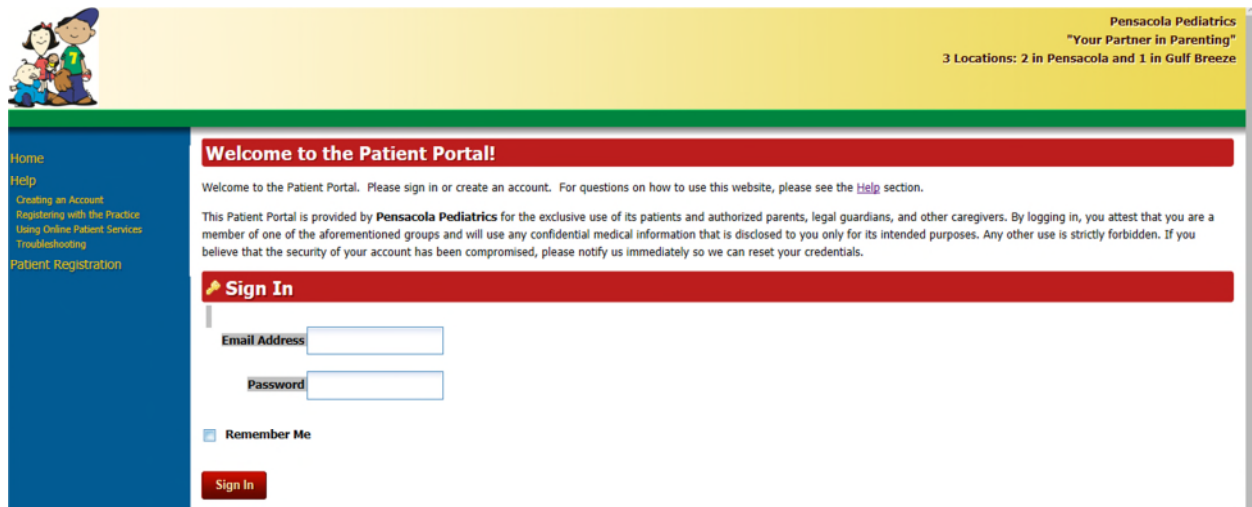

- Access your office visit summaries AND any post-visit instructions or educational materials that your provider has chosen specifically for you.
- See your patient bills.
- Receive reminders from us.

In the future we will add other features to increase your access and convenience.

To get started:

Go to: PensacolaPediatrics.com and click on the “Patient Portal” link.

You should see:

The screenshot shows the Patient Portal sign-in page. At the top, there is a yellow banner with the Pensacola Pediatrics logo on the left and the text "Pensacola Pediatrics 'Your Partner in Parenting' 3 Locations: 2 in Pensacola and 1 in Gulf Breeze" on the right. Below the banner is a blue sidebar with navigation links: Home, Help, Creating an Account, Registering with the Practice, Using Online Patient Services, Troubleshooting, and Patient Registration. The main content area has a red header that says "Welcome to the Patient Portal!". Below this, there is a welcome message and a "Sign In" section with input fields for Email Address and Password, a "Remember Me" checkbox, and a "Sign In" button.
